

BEHAVIORAL HEALTH CRISIS CENTERS (BHCC)

WHAT DOES A BHCC DO?

- ✓ Provide a **trauma-informed space** to receive services from a multi-disciplinary team specializing in mental health and substance use-related crises.
- ✓ Triage, assess, stabilize, and provide immediate resources to individuals in crisis.
- ✓ Provide **linkages to community resources** (including outpatient treatment) to ensure continued safety and stability for the individual.
- ✓ Provide an **alternative to the emergency room or jail** for those with behavioral health symptoms.

BHCC FY 2024 IMPACTS

- BHCCs in Missouri served **41,587 referrals**.
- The client was stabilized 87% of the time, with the remaining percentage either transferring or leaving against advice.
- Average law enforcement time spent on a referral - **six minutes**.
