

URGENT CARE for BEHAVIORAL HEALTH

An urgent care for behavioral health issues, **Ozark Center Urgent Behavioral Solutions (UBS) is the first and only program of its kind in the area.** It offers an alternative to the emergency room for those individuals age 16 and up who have significant behavioral health symptoms.

UBS is a great option for those experiencing:

- Increasing levels of depression, anxiety, psychosis and/or sleep disturbance
- Urgent need(s) and unable to access same-day appointment
- Substance use issues
- Running out of psychiatric medication
- Missed behavioral health appointments with providers
