Mobile Crisis Response

Crisis System Components

SOMEONE TO TALK TO

988 Suicide & Crisis Lifeline

SOMEWHERE TO GO

Behavioral Health Crisis Centers

Why Mobile Crisis Response?

A multi-disciplinary team that provides safe, compassionate care that aligns with the needs of the individual in crisis

On-site crisis resolution deployed to wherever a crisis is occurring, including a person's home or other community location

Divert individuals in crisis away from separate and often inappropriate systems (hospitals, jails, etc.)

Enable individuals in crisis to access behavioral healthcare in real time through a community-based intervention
